2. Choose a colour to be your theme.
3. Go out or walk about your house and take **NINE** photos that relate to this colour. Be as creative and inventive as you like!
4. When you're happy with the photos you can start to make your picture collage. If you use social media, you could make a grid collage and upload the photos to Instagram. Alternatively, you could print out your photos and make a mixed media collage instead.
